

SCL1125 - Police Sports and Recreation Club Enhancement Works Completion Ceremony

Sun Fook Kong held a completion ceremony for Shafin to Central Link Contract No.1125 - Police Sports and Recreation Club Enhancement Works on 5 February 2015. The project was commenced in December 2013 with a contract sum of HK\$297 million.

The current outlook of the Police Sports and Recreation Club.

Sun Fook Kong's colleagues posed a group photo in the ceremony.

Mr. K.M. Fung, Director - Construction of Sun Fook Kong sincerely thanked the project team for their continuous efforts during its opening speech.

The scope of works included constructing a 3-storey annex building, a 2-storey plant building, a carpark, a lawn playing rinks, a spectator stand which can accommodate 250 spectators, as well as a number of addition and alteration works in and around the existing PSRC main building including a new entrance drop off canopy, a bar extension, a fitness gallery extension, refurbishment of the existing shooting range and reconfiguring and redecorating the main club house entrance.

The 400-day project was successfully completed. During the construction period, Sun Fook Kong had established good communication with its clients and partners; moreover, the project had achieved a zero accident record by setting up an outstanding safety monitoring system and site management system.

In future, Sun Fook Kong will continue to emphasize on project safety and quality, striving to build the best for Hong Kong society.

"Sun Fook Kong Safety Awards Scheme 2015" Officially Launched

"Sun Fook Kong Safety Awards Scheme 2015" was officially launched on 16 January. The Scheme had been running since 2011. The opening ceremony was held at Kowloon Bay Paramount International Banquet Hall this year. Over 450 staffs from Sun Fook Kong Project Management and Safety Department and contractors attended the event.

The officiating guests held the opening ceremony for the "Sun Fook Kong Safety Awards Scheme 2015".

Mr. Patrick Lee, Managing Director of the Company said during his opening speech, "The reason for organizing the scheme is to give recognition to the management staffs, site staffs and subcontractors whom have contributed in maintaining a high level of safety and achieving "zero accident" for our company."

Sun Fook Kong keeps on improving its safety management system. Mr. Hilman Yung, Safety Director of the Company said during his speech, "In order to enhance our safety performance, we have set up a new safety standard this year. We hope it could be a good reference for all project teams and subcontractors in executing particular work procedures such as mechanical lifting work, cave cover installation work and use of ladders."

Following the opening ceremony of "Sun Fook Kong Safety Awards Scheme 2015", a total of 80 awards were presented to the Year 2014 winners. The championship of "The Best Performance Project Safety Award 2014" went to "Contract No. DC/2009/10: Harbour Area Treatment Scheme Stage 2A - Upgrading Works at Stonecutters Island Sewage Treatment Works - Main Pumping Station, Sedimentation Tanks and Ancillary Facilities" and "Contract No. 20119014: District Term Contract for the Maintenance & the Vacant Flat Refurbishment Works for Properties Managed by Property Service Administration Unit / Wong Tai Sin, Tsing Yi, Tsuen Wan and Islands (2) 2012/15", while the championship of "Good Housekeeping Campaign 2014" was obtained by "Contract No. HY/2012/11: Provision of Barrier-free Access Facilities for Highways Structures - Phase 3 Contract 1".

The championship of "The Best Performance Project Safety Award 2014" was obtained by two projects including: "Contract No. DC/2009/10: Harbour Area Treatment Scheme Stage 2A - Upgrading Works at Stonecutters Island Sewage Treatment Works - Main Pumping Station, Sedimentation Tanks and Ancillary Facilities" and "Contract No. 20119014: District Term Contract for the Maintenance & the Vacant Flat Refurbishment Works for Properties Managed by Property Service Administration Unit / Wong Tai Sin, Tsing Yi, Tsuen Wan and Islands (2) 2012/15".

The championship of "Good Housekeeping Campaign 2014" was obtained by "Contract No. HY/2012/11: Provision of Barrier-free Access Facilities for Highways Structures - Phase 3 Contract 1".

Another highlighted award of the event, "The Best Safety Foreman Award 2014" has gone to Mr. Choi Wai Kwai, a Senior Site Foreman of the Company. Mr. Choi has worked for Sun Fook Kong for many years and the judges were highly impressed by his outstanding safety performance. Talking about the secret for winning the award second year in a row, he said, "Be patient, be caring to the colleagues, be responsible and be concentrate during work are the keys to my success."

Besides, the result of the "Zero Accident Award Scheme 2014" was announced during the event. Last year, there were total 26 project teams and 121 contractors being awarded.

In the coming year, Sun Fook Kong will continue to enhance its occupational safety and health standard, to improve the welfare of workers and to promote safety culture together with the industry, so as to achieve "zero accident".

Mr. Tommy Wong from "Head Office Team" (left) was the final winner of the Great Advancement Award.

Apart from the Champion, the First Runner-up and the Second Runner-up, individual awards including Professional Sharpshooter Award, Most Valuable Player Award, Spirtshooter Award and Rookie Star were also presented. In order to encourage the basketball player with the most significant advancement in his basketball skills, Sun Fook Kong also set up a new award, the Great Advancement Award in this year. In addition, certificate of appreciation had been presented to Mr. Andy Cheng, the organizer of the event, as well as the first aiders and members of the activity organizing committee for their hard work in the past few months.

In order to provide opportunities for its colleagues to improve their basketball skills and to strengthening the link between the company and the industry, Sun Fook Kong has set up a company basketball team in this year. The new basketball team has brought basketball elites from different sites together and will represent the company to participate in different open competitions in future.

Sun Fook Kong concerns about staff's health and thus they actively promote occupational safety and health at the workplace. The company will continue organizing more healthy activities, allowing its staffs to experience more and having more fun besides working.

The officiating guests and all winners posed for a group photo in the ceremony.

"The 2014 Security Services Best Training Award" is organized by the Crime Prevention Bureau of the Hong Kong Police Force and the Security Services Training Board of the Vocational Training Council (VTC), with an aims to encourage security companies to enhance the quality and professional competence of their security officers. Its selection criteria included the number of training hours and the staff involved in the past 12 months, the coverage of the training courses and the degree of involvement and support of the management etc. The Company finally obtained a Gold Award in the Award Presentation Ceremony through providing sufficient trainings to its staffs, as well as maintaining good communication with its clients and stakeholders.

On the other hand, "The Construction Industry Safety Award Scheme 2014/2015" is introduced by the Hong Kong Labour Department in association with more than 10 co-organizers including the Occupational Safety and Health Council, the Development Bureau, the Occupational Safety & Health Council, the Hong Kong Housing Authority and the Construction Industry Council, with an aims to raise safety culture at work among all construction companies. The competition assessment for safety teams had been conducted in two phases. In the preliminary assessment, Occupational Safety Officers of the Labour Department had carried out physical site assessment to evaluate its performance on implementation of safety measures and safety management system. Then, an interview had been conducted in final assessment to evaluate the safety and health awareness of safety teams.

The safety team of "Harbour Area Treatment Scheme Stage 2A - Upgrading Works at Stonecutters Island Sewage Treatment Works - Main Pumping Station, Sedimentation Tanks and Ancillary Facilities" project (the leftmost) received a Merit Award in the ceremony.

This year, there were total 116 safety teams participated in the competition. Finally, the safety team of "Harbour Area Treatment Scheme Stage 2A - Upgrading Works at Stonecutters Island Sewage Treatment Works - Main Pumping Station, Sedimentation Tanks and Ancillary Facilities" project was selected to be one of the winners of the Merit Award, due to its outstanding performance in safety supervision, safety training and promotion, protection of workers' health and site cleanliness.

Sun Fook Kong always emphasizes on "safety" and "quality". In future, The Company will actively promote a safety culture in the construction sites and strictly monitor its construction quality and service quality.
